

Find the # of subscribers in specific ZIP codes

The screenshot shows the 'Interlink Circulation - Kentucky Standard.zcl (List ID:1886)' application in 'Single User Mode'. A 'Gathering Data - Totals / Cross Tabs' dialog box is open, with a sub-dialog 'Totals / Cross Tabs' showing the following configuration:

- Row: Zip (5 digit)
- Column: NP Status
- Date Definition: Day Month Year
- Buttons: OK, Cancel, Show Quick Help, Print All..., Print Special..., Change Printer Settings..., Close

In the background, a table of subscriber data is visible, including columns for Zip, Expires, and Name/Address.

- Totals / Cross Tabs printed on 06/23/2009 at site 2813 for Kentucky Standard.zcl
